EDUCATION/TRAINING

Reminder: Application deadlines for ASQC certification exams are as follows:

EXAM DATE	APPLICATION DEADLINE
CRE/QEIT/CQA: June 2, 1990	April 6, 1990

Telephone Survey Of Membership

The Executive Committee will be conducting a telephone survey of the Montreal Section membership during the second half of January, 1990. The primary objective of the survey is to determine the level of awareness by members, of Section activities. Your response is critical for future planning of events. We ask for your cooperation and a few minutes of your time when you are contacted.

## Formation of Canada Quality Council

Herman Sahrman  
Interim Chair,  
Canada Quality Council

The "Canada Quality Council" was formed on May 8, 1989 at a meeting in Toronto, attended by 20 people representing the Canadian ASQC Sections, Association Quebecoise de la Qualite, Statistical Society of Canada, and the Ontario Chapter of the Association for Quality and Participation. The total membership of these societies is about 4000 people. Other professional societies with an interest in quality will be invited to join.

The aim of the Council is to focus Canadian efforts on a national basis in the field of quality and related disciplines. Initial areas to be addressed include the Canada

Quality Award, Canada Quality Month, education and training, dissemination of information, and liaison with standards-writing organizations and other professional groups.

Interim officers and committee chairs were appointed. They will serve until a formal organizational structure and by-laws are developed. Herman Sahrman, ASQC Canadian Regional Director, will chair the Council. Vice-Chair is Bernard Clement, Professor of Statistics, University of Montreal, from the Association Quebecoise de la Qualite. Secretary-Treasurer is Madhav Sinha, Manitoba Department of Labour, from the Manitoba Section of the ASQC.

Four committees were established. The Canadian Quality Award Committee is chaired by Al Stanenas, recently retired from Honeywell, and former Chairman of the QA Committee of the Electrical and Electronic Manufacturers Association of Canada (EEMAC). The Canadian Quality Month Committee is chaired by Jack Pompeo of Northern Telecom, who chaired the Host Committee for the very successful 1989 ASQC Annual Quality Congress held in Toronto. The Publicity Committee is chaired by Don Strahle, Supervisor of Procurement QA for Ontario Hydro. The Education Committee is co-chaired by Lai Chan of the Statistical Society of Canada, and

Youssef Youssef, from the ASQC Montreal Section.

Members of this group, joined by a representative from the Society of Reliability Engineers, met again on October 23 and began developing the Council's role, objectives and by-laws. A newsletter will be established to keep members of all the involved organizations informed.
